

Join us in September, 2018 on a Viking River Cruise Rhine Getaway - Basel to Amsterdam

8 Days, 6 Guided Tours, 4 countries

The 7 night, 8 day Viking River Cruise begins on September 13, 2018 in Basel, Switzerland, cruises up the Rhine River through Germany ending in Amsterdam on September 20. Because we've heard amazing things about the beautiful Lake Como, Italy we plan to spend 3 nights there beginning September 10 before the cruise begins. And because we're just in the neighborhood, we plan to spend 2 extra nights in Amsterdam on September 20 and 21 at the end of the cruise.

Prices vary depending on if you want inside, outside or a stateroom with a balcony; whether you will want to do the beautiful Lake Como 3 nights before the cruise and the 2 night extension in Amsterdam at the end of the cruise. Also if you want to fly economy class, premium economy or business class.

Contact me so we can talk about all the details and let's start planning your Viking River Cruise adventure.
