At Scubaventures Dive Center we are firmly committed to the safety of every single diver we certify. We keep our classes small with personalized attention from the instructor. Our primary goal is to promote safe, competent scuba divers in a casual, fun environment.

We also have the flexibility to schedule classes to fit your needs. Ask us if you need to make adjustments to the schedule. Classes are held each month and dates vary depending on the instructor's schedule and pool availability.

Reserve your vacation package with our professional travel experts and receive a 20% discount on your open water class.
